Math

Initial and date each activity once it is complete.

<p>1. On Monday, it rained 48 inches outside. On Tuesday, it rained 18 more inches. How many inches did it rain on both days? How many more inches did it rain on Monday than on Tuesday?</p>	<p>2. Write these Math problems in your notebook and solve them:</p> $24+9=$ $47-5=$ $14+8=$ $37+7=$ $49-12=$ $56-8=$ $34-22=$ $21-6=$	<p>3. Natalia has 15 flowers. She buys 7 more for her mom. How many flowers does she have now?</p>	<p>4. Use a ruler to measure 3 objects in your kitchen to the nearest inch.</p> <p>Put the objects in order from shortest to longest and identify their sizes. Can you write a comparative sentence about the objects?</p>	<p>5. Draw 3 analog clocks with these times on them...</p> <p>8:00 12:30 4:00</p> <p>Write one sentence for each time clock and explain what you are doing at that time of day.</p>
<p>6. Grandma baked 24 cookies. She sent some home with John and 15 home with Grayce. How many cookies did Grandma send home with John?</p>	<p>7. Using the making a ten strategy, how would you solve this equation? Draw a picture to show how you solved your equation.</p> $6 + 8 = ___$	<p>8. Survey your family and create a tally chart to show your answers.</p> <p>Favorite sport: Baseball Football Basketball</p>	<p>9. Draw 8 different 2D shapes. Partition each shape into halves <u>or</u> fourths. Be sure to label the shapes with their correct name. (You can not draw two of the same shape)</p>	<p>10. Draw and name some 3D real world objects. (sphere, cube, rectangular prism, etc)</p>

ELA

<p>1. Read a biography of an important figure in U.S. history. Then write down at least 5 key details about that person's life. Make sure you include a timeline of their life.</p>	<p>2. Read a fiction text. Retell the story in your own words. Create a time line of what happens first, then, next, and last in the story.</p>	<p>3. Read two biographies of two different historical figures in our nations history. Then compare and contrast the two people's lives and what they did using a Venn diagram.</p>	<p>4. Read an informational text about a famous monument. Be sure to illustrate that monument and write at least 4 key details about that monument.</p>	<p>5. Read a fiction text. Describe the character in the text using key details. Then write what lesson the author is trying to teach you through the character (i.e. Always tell the truth, It's okay to be different, etc.)</p>
